SENATOR DICKINSON: Do they get an automobile provided?

SENATOR MOYLAN: A what?

SENATOR DICKINSON: Do they have a car provided?

SENATOR MOYLAN: No, not that I know of anyhow. I don't believe they do but they do get compensation if they travel outstate for hearings or the like.

SENATOR DICKINSON: How many employees do they have working under them? Do you have any idea?

SENATOR MOYLAN: I do not know that.

SENATOR DICKINSON: Thank you.

SPEAKER: The Chair recognizes Senator Johnson.

SENATOR JOHNSON: Mr. President, members of the Legislature, I'd like to ask Senator Moylan a question, if I may.

SENATOR MOYLAN: Yes, sir.

SENATOR JOHNSON: The bill states, I believe, that this will not be effective until 1977, is that right?

SENATOR MOYLAN: That's right. It can't take effect until there is a new term and the first new term comes up in 1977.

SENATOR JOHNSON: Since this is controversial and there is some objection to the increase, would you consider holding this a year, since it won't take effect until 1977?

SENATOR MOYLAN: Well, that was considered by all people interested and we decided it is on the Board now and we will pass it into law now and it will take effect. If anybody disagrees with it next year, they will have a chance to change it.

SENATOR JOHNSON: Thank you.

SPEAKER: The question before the House is the Chambers' amendment and the question is, shall the Chambers' amendment to LB 311 be adopted? Have you all voted? The Clerk will record.

CLERK: 2 ayes, 26 nays.

SPEAKER: The motion fails. The question is now, shall LB 311 be advanced to E & R for Initial? Is there any further discussion? Senator Chambers.

SENATOR CHAMBERS: I have a question of Senator Moylan for clarification.

SPEAKER: Senator Moylan, will you respond.

SENATOR MOYLAN: Yes, I have no other recourse, as Murphy says.

SENATOR CHAMBERS: You do though. You don't have to. You don't mind though. If you don't want to you don't have to.
